

## Year 1 Word List

The National Curriculum sets out the following words for children in Year 1 to learn to spell. Teachers will work with children on these words in class and will also send sets of spellings home. Please help your child to learn their spellings using the following strategies - by looking at spelling patterns, noticing words within words, writing them out and putting them into sentences.

<b>bus</b>	<b>jumped</b>	<b>boy</b>	<b>head</b>	<b>town</b>
